# Summerfallow Spring

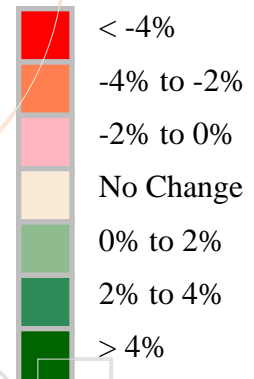

# Organic(Certified) Irr. Spring

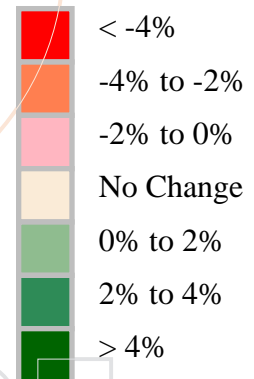

Organic(Transitional) Irr. Spring

Map of Illinois showing county-level data for the variable "Number of children in the household". The map uses a color scale from light green (low values) to dark green (high values). Most counties are light green, indicating lower values, while a few counties in the central and southern regions are dark green, indicating higher values. The map includes numerical data for each county, ranging from 152.9 to 219.9.
